Information about the Travelling Exhibition

The photography exhibition has been prepared in the framework of the research project “Women’s and Gender Studies at Universities in Turkey: Institutionalization and Transformation”, conducted at the University of Bremen (2017–2019).

In this exhibition entitled “Courageous Women: Women’s and Gender Studies in Turkey’s Academia,” 26 women academics, who initiated the foundation processes of Women’s and Gender Studies at universities in Turkey, are portrayed.

The exhibition aims at contributing to the memory formation about academic feminism. It is also an homage to the hard work and efforts of all women who built, nourished and helped to develop the field.
